Narrative

22 - 00008008-001

Complainant Billy Broussard asked for some statements he wanted to fill out about call the day before about a complainant put on him about his property. I gave Bill two statements and he said that was all he needed he did not need assistance with anything else. Billy told me he wanted the statements to fill out and turn in to have something defending him in the report that was made against him. Billy did not get into to much detail about the call he just wanted the statements.
