28 U.S.C. § 1651

(b) An alternative writ or rule nisi may be issued by a justice or judge of a court which has jurisdiction. (June 25, 1948, ch. 646, 62 Stat. 944; May 24, 1949, ch. 139, Sec. 90, 63 Stat. 102.)

2.

Title 28 U.S.C.S. §1391(e) provides for venue for actions in the nature of mandamus brought under Title 28 USCS § 1361 against federal officers, employees, or agencies, or any agency thereof acting in its official capacity or under color of legal authority. Unless the U.S.D.O.J. For this reason, requirements for exhaustion of effort to obtain local relief should be considered waived and satisfied. (Heckler v. Ringer 466 U.S. 602 (1984)

10.

Plaintiff is seeking mandamus relief against defendants, U.S. D.O.J. Office and agent does one through five, who refused to fulfill their statutory responsibilities under Title 28 U.S.C. § 535 (a), (b), by refusing to document plaintiff's allegations of deprivation of certain rights and protections guaranteed to him by the Fourteenth Amendment to the U. S. Constitution, and 42 U.S.C. section 1983, and 1985(3) , 18 U.S.C. 242, and the laws of the United States, by officials acting under color of law, and for failing to take actions within the legal limits of their authority

11.

Plaintiff is seeking relief against respondents (federal officers,) who refused to fulfill their sworn obligation, and present legal duty (i.e., nondiscretionary ministerial and statutory requirement) under Title 28 USC 1343(1)(2)(3), and the U. S. Federal constitution, to enforce the U.S. Constitution, any allegations, and complaint relating to violations of plaintiff's civil rights guaranteed by the Fourteenth Amendment to the U. S., and 42 U.S.C. section 1983, and 1985(3), 18 U.S.C. 242, and the laws of the United States, by officials acting under color of law,.

12.

Title 28 USC 535(a), (b) mandates and governs the investigation of crimes involving government officers and employees. It authorizes the Attorney General and the F. B. I. to investigate any information, allegation, matter, or complaint witnessed, discovered, or received, relating to violations of federal criminal law involving government officers and employees,

corporations and requires the head of the U.S.D.O.J. Office, or the witness, discover, or recipient, to expeditiously report these violations to the attorney General, as appropriate.

13.

The U.S.D.O.J. Office and Federal Bureau of Investigation, is an organ of the national government, has the commensurate responsibility to vigilantly support and defend the Constitution, and the Court will not interpret Title 28 U.S.C. § 534 in manner inconsistent with this Responsibilities [Tarlton v. Saxbe (1974) 165 US App DC 293, 504 F2d 1116].

Exclusively

14.

Plaintiff is a citizen of the United States, and is a victim, as defined by Title 42 U.S.C.A. § 10607 (e) (2), for purposes of providing the services described in the Attorney General Guidelines for Victim and Witness Assistance and, as defined by Title 42 U.S.C. § 10607 (e) (2), for purpose of enforcing the rights enumerate.

15.

Defendants, U.S.F B I is an agency of the United States of America and are components of U. S. Department of Justice.

16.

Defendants, AGENT DOES ONE through FIVE, are officers, agents and/or employees of the U.S. courts, and FBI, and the D.O.J. acting within the scope of their office or employment, and are being sued individually and each in their official capacity, for the negligent and/ or wrongful acts and/or omissions occurring in connection with the performance of their duties, which resulted from their refusal to take the required actions that would have identified the plaintiff as a victim of crime, within the meaning of Title 42 U.S.C. § 10607 (b) (1).

17.

As agents acting on behalf of the U.S.D.O.J. Office and the F. B. I, Defendants, AGENT DOES ONE through FIVE, have, and at all relevant times described herein had, a clear and present legal duty (i.e., nondiscretionary ministerial and statutory requirement) under Title 28 U.S.C. § 535(a),(b) to report any information, allegation, and complaint relating to violations of federal criminal law and civil rights, by official acting under color of law, to the Civil Right

Division of the Department of Justice.

18.

Defendants, AGENT DOES ONE through FIVE, have, and at all relevant times described herein had, the present ability to perform the above-described duty.

19.

Defendants, trial courts, and U.S.D.O.J. Office and the U.S.F.B.I. are, and at all relevant times described herein was, the appropriate venue for the plaintiff to bring his complaint for violations of federal and state criminal law and of his civil rights, by official acting under color of law, is that:

20.

Title 42 U.S.C.A. § 14141 allows the United States to remedy a pattern or practice of conduct by any governmental authority, or any agent thereof, or any person acting on behalf of a governmental authority, including law enforcement officers, who deprive a person of their constitutionally guaranteed rights.

21.

Plaintiff sent letters to the U.S.D.O.J. Office, and the U.S.F.B.I. Office crying out for help, but to know avail all were ignored by defendants.

22.

Therefore plaintiff request a Writ of Mandamus ordering the U.S.D.O.J. Office and the U.S.F.B.I. and agent one-five to conduct a proper investigation of my claims.

In all cases, the afore-mentioned defendants refused to document plaintiff's complaint, without proffering a tenable explanation.

23.

Given the refusal of the U.S.D.O.J. Office., and the U.S.F. B. I. to properly and effectively investigate the complaints and allegation of the plaintiff and bring the perpetrators to justice, in accordance with the law and its own policies, and given further other substantial indicators of acquiescence by the Department of Justice in the abuses described in plaintiff's complaint, and its unwillingness to support legal initiatives that might be undertaken to obtain relief for the plaintiff, any further efforts on the part of the plaintiff to secure remedies through these venues would be futile

MEMORANDUM OF POINTS AND AUTHORITIES

Plaintiff, Oscar Dantzler, in support of his petition for writ of mandate, which seeks an order from this court to compel the U.S.D.O.J. Office and the U.S.F. B. I., and their agents, to perform their Statutory duty owed to the plaintiff under The U.S. Federal Constitution and the Constitution of the State of Louisiana.

Submits the following Memorandum of points and Authorities:

- A. Relief in nature of mandamus under Title 28 U.S.C.A. § 1361 was appropriate in action against federal officials and state officials alleging failure to discharge their duty, since plaintiff sought only to require federal officers and state officers to perform ministerial duty of complying with their own regulations. [Legal Aid Soc’y V. Brennan (1979, CA9 Cal) 608 F2d 1319, 21 BNA FEP Cas 605, 21 CCH EPD paragraph 30443, cert den (1980) 447 US 921, 656 L Ed 2d 1112, 100 S Ct 3010, 22 BNA FEP Cas 1832, 23 CCH EDP paragraph 30977]
- B. District Court had jurisdiction under 28 USCS & 1361 of third-party action who sought to compel federal and state officials to fulfill their affirmative duty under federal statutes; to extent that third-party plaintiffs alleged that defendants’ federal officers, state officers acted unconstitutionally and outside ambit of their statutory authority, and sought relief to correct such actions, suit was “in the nature of mandamus” so as to bring it within purview of & 1361. [Kelley v. metropolitan County Board of Education (1973, MD Tenn) 372 F Supp 528]
- D. When complaint is predicated upon Mandamus Act (28 USCS § 1361), it is essential that plaintiff allege and show that government owes him performance of legal duty “so plainly prescribed as to be free from doubt.” [Naporano metal & Iron Co. v. Secretary of Labor (1976, CA3 NJ) 529 F2d 537, 41 ALR Fed 597; Commonwealth of Pennsylvania, By Sheppard v. National Ass’n of Flood Insurers (1975, CA3 Pa) 520 F2d 11, 20 FR Serv 2d 601]

The defendants (federal officers,) has a clear sworn obligation, and present legal duty (i.e., nondiscretionary ministerial and statutory requirement) under the U.S. Federal Constitution, and under Title 28 USC 1343(1)(2)(3), to enforce the U.S. Constitution, any allegations, and complaint relating to violations of plaintiff’s civil rights guaranteed by the Fourteenth Amendment to the U. S. Constitution and 42 U.S.C. section 1983, and 1985(3) , 18 U.S.C. 242, 28 USC 1391(e) and the laws of the United States, by officials acting under color of law,.

28 USC 1343(I)(2)(3) (Provides)

(a) The district courts shall have original jurisdiction of any civil action authorized by law to be commenced by any person: (1) To recover damages for injury to his person or property, or

because of the deprivation of any right or privilege of a citizen of the United States, by any act done in furtherance of any conspiracy mentioned in section 1985 of Title 42; (2) To recover damages from any person who fails to prevent or to aid in preventing any wrongs mentioned in section 1985 of Title 42 which he had knowledge were about to occur and power to prevent; (3) To redress the deprivation, under color of any State law, statute, ordinance, regulation, custom or usage, of any right, privilege or immunity secured by the Constitution of the United States or by any Act of Congress providing for equal rights of citizens or of all persons within the jurisdiction of the United States; (4) To recover damages or to secure equitable or other relief under any Act of Congress providing for the protection of civil rights,

Dear Attorney C. Brown good morning, I hope that you are doing well. I just wanted to touch bases with you concerning my case against the Tangipahoa Parish School Board. I have been out of state working. As per our conversation several weeks ago you had advised me that Andre Coudrain had called you and advised you that he had received my medical records from my hospital (OLOL) without my consent and neither was there a court order issued by the court for the Medical Center to release my medical personnel file to the opposing counsels. I also advise you to send me a copy of documents that the opposing counsels had used to obtain my medical record and as of this date at time, I have not received said medical record documents from you that they had provided to my Medical Center, Our Lady of the lake to obtain my medical records. Mr. Brown you also advised me that the Medical Center had violated the HIPAA law by releasing my medical record to opposing counsel's. Please e-mail me and / or send the medical forms / documents that were used by opposing counsels to obtain my medical records to my physical address 1203 apple St. Hammond LA 70401. Also Mr. Brown we have talked several months ago about the depositions and I also had advised you that you let the opposing counsels take my deposition in the past and at the same time I also had requested for you to take several depositions from defendants, as of this date and time, no defendant depositions has been schedule nor taken from defendants. I have sent you a prior letter by e-mail requesting the same.

1. Please let me know, what is the status of my case.
2. Please let me know, what you are going to do concerning the defendant's deposition that I have requested for you to take;
3. Please let me know what you're going to do about my medical records that has been released to the opposing counsels in violation of the HIPAA law
4. 2nd request please send me a copy of document that was used by opposing counsels to obtain my medical records
5. I am also requesting a copy of the stamped and / or received documents from the Medical Center that was used by opposing counsel(s) to obtain my medical records
6. I strongly object to my income tax information being turned over to defendant's opposing counsels.
7. I also strongly object to consenting and signing a protective order with defendants.

I remain,

Ref: T.P.S.S. Depositions

Dear Attorney C. Brown, good morning I hope that you are doing well. I just wanted to touch base with you concerning my case against the T.P.S.S. I don't know what your schedule look like this week. I would like to schedule a meeting asap this week, because there are somethings that I would like to discuss with you concerning defendant's depositions. I don't know if you have already scheduled depositions with some defendants prior to this letter. Defendant's counsels have taken my deposition in February of 2022 and others. I would like to discuss and request that defendant's deposition be taken as soon as possible while school is still in before school gets out, because I don't want them saying they're on vacation or defendants counsel making up excuses while they can-not be deposed. If they are on the jobsite working, defendants counsel cannot give no excuse why they cannot be deposed while they are still employed, or defendant's counsels cannot make up excuses stating that they have other court matters to attend to so that they could prolong the time. My deposition was taken while I was employed so I would like for their depositions to be taken just like my deposition was taken while they are employed also. I would also like to request that other person be deposed and I have some questions for them to answer and respond to during their depositions. Thank you.

**Subject: Dantzler v. TPSB: Updated
Settlement Proposal**

Date: May 19, 2022 at 12:29:46 PM

To: oscardantzler@yahoo.com,

dantzlerenterprise@gmail.com

Cc: Herman Charles hkingmagic@gmail.com

Dr. Dantzler:

As we discussed, this is to outline the updated settlement proposal that I would like to present to the TPSB.

--First, the lump sum settlement amount, which was \$275,000, would be increased to \$325,000 (to adjust for additional costs and attorney's fees). I still recommend the settlement authority of approximately \$225,000 (which will give you a net of approximately \$150,000 after costs and fees are deducted). Regardless, I will of course discuss with you any counteroffer from the TPSB, even if it exceeds the \$225,000 in authority, before accepting.

--Second, you would agree to continue working as a bus driver and would retire at the end of the 2023 school year (the first year that you are retirement eligible at 55 years old); in return, the TPSB would agree to allow you to retire at the position of Field Transportation Coordinator, with a retroactive date of March 1, 2019. This would permit you to receive a retirement from the TPSB at the full amount for the FTC position.

--Third, you would be amenable to signing a non-disclosure agreement ("NDA") pertaining to the details of your case. The NDA would cover only future disclosures and would not cover anything that has been published in the past. The NDA would also only pertain to your case, and would not cover any other case or instances of wrongs of which you become aware and about which you would feel the need to speak out.

Please let me know as soon as you are able whether the above settlement terms are agreeable or if you have any questions about any of the provisions.

Thanks.
