Subject: Public Records Requests: Exit Interviews Upon Resignations/Retirements During the Davis Regime.....Opportunity for Camera Time Should Col. Davis So Desire

Capt. Manale:

As I discussed with Lt. Col. Cammon (copied on this email) during last week's LSPC meeting and as I have been guided to do, via this email I make formal public records requests to examine all exit interviews applicable for LSP Trooper retirements and resignations for the period of October 1, 2020 through today's (Monday, October 17, 2022) date.

Also, Lt. Col. Cammon indicated that it's his desire that Col. Davis be permitted an opportunity to state his side entailing the commentary made by me at Thursday's LSPC meeting. As I expressed to him, I am more than welcome to come to LSP Headquarters with my camera and provide Col. Davis with the opportunity to state his side of the matter.

As you may be aware, I made the same invitation when troopers were outraged about the Kaleb Reeves matter entailing the detective position, and you can readily see that invitation at the bottom of the following feature: <https://www.soundoffla.com/was-prized-lsp-detective-transfer-of-col-reeves-son-actually-a-big-thank-you-for-prior-promotions-of-those-approving-the-transfer/>

For convenience, I'll reproduce it:

We've now concluded our presentation of the concerns of those who have contacted us, and our offer to Col. Reeves to appear on camera to comment on any matter in this feature stands indefinitely should he wish to accept that offer. In the meantime, we have made the following public records request to provide LSP with an opportunity to document Kaleb Reeves' credentials for the Detective position beyond merely being Col. Reeves son:"

Accordingly, just let me know if Col. Davis wants that camera time as I'll be delighted to accommodate it for him. Thank you for your attention to the above public records request as well.
