Good morning Ms. Michelli. I am reaching out concerning the best interest of [REDACTED]. While assisting Mr. Lang as caregiver during his recent health crisis, I met the children during their visits in his home. I witnessed the endearing relationship between Mr. Lang and the children. I also met their mother during visits when she accompanied them.

Saddened by the knowledge of the children's return to foster care and awareness of the trauma of multiple placements, I wish to bring to your attention my observations of the bond between Mr. Lang and the children for your consideration in the children's best interest. Thank you.

Sincerely,  
Bonnie B. Bonin
