Good Morning,

I am writing on behalf of Brett Lang regarding [REDACTED] home placement. I am a friend of Brett and have known him for some time. I understand the need and want to provide a safe home for children in foster care and I believe Brett fits this requirement. As a law enforcement officer and community leader, he has done an exceptional job showing not only compassion and love but the responsibility to do the right thing. I also believe it is in the children's best interest to be in a home where they are familiar with and feel welcomed and loved during times of disruption and stress. This has a profound effect on children and has proven to be in their best interest, especially for overall health and well-being. I urge you to consider the relationship Mr. Lang has had with these two children and his long-standing dedication to service and simply doing the right thing as you decide what is best for the children. Thank you for your time and consideration.

Thank you,

Kenneth Perry, Jr.
